Cool School Snacks

These savory bites, assembled from rice cakes, cream cheese, and fresh veggies, make a wholesome classroom treat or afternoon munchie.

Tint a small tub of **plain whipped cream cheese** with **blue food coloring**, then spread dollops onto **mini rice cakes**. Cut **herbs and vegetables** as shown (we used chives, red bell peppers, broccoli, and celery*) and press them into the cream cheese. Finish with **mini fish-shaped crackers**.
